AECOM awarded two U.S. GSA contracts with an aggregate value of up to US\$72 million

LOS ANGELES (July 5, 2011) — AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for government and commercial clients around the world, announced today that it has won two concurrent contracts with an aggregate value of up to US\$72 million over three years, if all options are exercised.

Under these contracts — part of the U.S. General Services Administration's Logistics Worldwide Schedule Contract program — AECOM will provide a wide array of technical support services at the Letterkenny U.S. Army Depot (LEAD), which has its headquarters near Chambersburg, Pa.

AECOM will deliver industrial, maintenance, logistical and technical labor services to sustain and enhance LEAD's production requirements for various functional divisions under the guidance of the Directorate of Maintenance. These functions include production engineering, major items, industrial business, electronic support, manufacturing and fabrication, mechanical equipment, paint and support of the Mine Resistant Ambush Platform.

For these projects, AECOM will provide approximately 420 maintenance- and production-focused technical personnel to augment the LEAD workforce.

Both contracts have a 4-month base period with eight, 4-month options, for a potential term of three years each.
