### **AECOM to present at D.A. Davidson's 10th annual Engineering and Construction Conference**

*CEO John M. Dionisio and CFO Michael S. Burke to present in San Francisco*

LOS ANGELES (Sept. 8, 2011) — AECOM Technology Corporation (NYSE: ACM), a leading provider of professional technical and management support services for government and commercial clients around the world, announced today that it will be presenting at D.A. Davidson's 10th annual Engineering and Construction Conference in San Francisco at the Omni Hotel.

John M. Dionisio, AECOM president and chief executive officer, and Michael S. Burke, AECOM executive vice president and chief financial officer, will present at the conference on Sept. 20 at 9:15 a.m. PDT.

Interested parties can access a live webcast of the presentation, as well as presentation materials, by visiting the Investors page on AECOM's Web site at <http://investors.aecom.com>. An archived version of the presentation will also be available following the event for 90 days.

#### **About AECOM**

AECOM is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural and social environments. A *Fortune 500* company, AECOM serves clients in approximately 125 countries and had revenue of \$7.7 billion during the 12 months ended June 30, 2011. More information on AECOM and its services can be found at [www.aecom.com](http://www.aecom.com).
